About People and Events

MISS Susan White, a
triple prize winner at the
Art Show last week, has
arranged for an exhibition
of her work at the Annexe
from Thursday, April 26.
Miss White's pictures in

all sections of last week's
Art Show drew favorable
comment from viewers,
and her exhibition should
be of great interest. She
studied at the Adelaide
School of Arts before
studying in Sydney with
Mr. Gibbons of the Julian
Ashton Studics. She will
show about 40 pictures,
comprised of water colors,
several etchings and a few
drawings.
