# About People and Events

MISS Susan White, a  
triple prize winner at the  
Art Show last week, has  
arranged for an exhibition  
of her work at the Annexe  
from Thursday, April 26.  
Miss White's pictures in

all sections of last week's  
Art Show drew favorable  
comment from viewers,  
and her exhibition should  
be of great interest. She  
studied at the Adelaide  
School of Arts before  
studying in Sydney with  
Mr. Gibbons of the Julian  
Ashton Studics. She will  
show about 40 pictures,  
comprised of water colors,  
several etchings and a few  
drawings.
