www.susandwhite.com.au

Susan has spent a lifetime devoted to creating art. In a career spanning more than 45 years, she has developed an individual style in painting, drawing, sculpture and printmaking. Recent innovations include hand-carving in mixed-media sculpture and goldpoint drawing. Her work is in collections worldwide. She exhibits internationally—see reviews from Amsterdam, Cologne, New York, Nice and Munich. Susan is the author of *Draw Like Da Vinci* which is illustrated with her drawings.

Susan E. Arthur

www.tkellner.com/susanearthur

In my pictures, I am exploring the junction between fact and fantasy: moments when the child fully inhabits her world, keeping the adult world at bay. The shallow depth-of-field is intended to lure the viewer into a powerful, transcendent moment. The places I record are purposely unspecific in order to highlight the emotional "facts."

Susan E. Eck

Susan E. Eck was born and raised in Toronto, Canada. She moved to Muskoka in order to immerse herself in her artwork. She is predominantly a self-taught artist who successfully completed professional development art classes at The Ontario College of Art and Design in Painting and Drawing.
