

# NORTH SYDNEY COUNCIL CIVIC CENTRE SCULPTURE

Ridge Street

North Sydney Council was formed on 29 July 1890 by the amalgamation of the boroughs of St. Leonards, East St. Leonards and Victoria.

To celebrate the centenary of the amalgamation, the Council hopes to commission a sculpture for its Civic Centre.

Initially, interested sculptors are invited to submit sketch designs from which six will be selected and the sculptors commissioned to prepare maquettes for final judging.

The sculpture should not only be appropriate to the theme of the celebration but should be also compatible with the scale and character of the Civic Centre.

If you require any further advice or information please contact Council Architect, John Kinstler 9637366
